AEON Hokkaido Co.,Ltd.

Three AEON Stores in Hokkaido Overseas Delivery of Fresh Products Starts!

AEON Hokkaido Co.,Ltd. (AEON Hokkaido) has announced that AEON Asahikawa ekimae, AEON Otaru and AEON Chitose will start to provide foreign tourists with the service of Overseas Delivery of Fresh Products since 2016 May 1st.

Aiming to supply delicacy and Happiness of each season to all the country, AEON Hokkaido has always been selecting various kinds of Hokkaido tasty products strictly and has been well received in Japan. While more and more foreign tourists come to Japan to enjoy local delicious products, being able to share with their families and friends has become crucial. Now the service of Overseas Delivery by AEON Hokkaido makes it possible.

Associating with the HOP 1 Service from Hokkaido Export Platform, Aeon Hokkaido is able to deliver local fresh products to HongKong, Taiwan and Singapore once a week by refrigerated storage flight. In order to deliver fresh seasonal products in time, the contents of delivery also vary seasonally in one year. The first period is from Sun. May 1st to Thur. Aug 25th. During this period, guests can order Furano Melons, Aomori Apples and Tokachi Chinese Yams which three are all popular items among overseas customers. The second period is planned to be held after September, customers can order aquatic product gift bags of crabs or scallops etc. at that time.

AEON Hokkaido is concentrating on developing of Hokkaido and try our best to promoting Hokkaido products and offering more new services.
