Note

- ☆ This ticket may be used by one person for any five days of travel (consecutive or non-consecutive) or by a group traveling together on the same route (e.g. five people for one-day travel). Each ticket is valid for one calendar day (from 00:00 to 23:59), and must be used within the designated term of validity. 有効期間内の連続・不連続5日間、又は、グループの同一行程旅行時に使用可。(例えば、5名の1日分)24時間とは、00:00～23:59でカレンダー1日分を示す。
- ☆ Ticket holders can get on and off the train at any JR station and at the JR ferry terminal as many times as they wish. However, travel is restricted to the marked "day of use". The "day of use" will be marked on the ticket by a JR staff the first time the ticket holder presents the ticket when going through a ticket gate at any JR station.
切符にはJR駅社員による有効日(乗車日)の記入が必要。有効日中1日何回でも乗り降り可。
- ☆ This ticket is NOT valid for express trains, limited express trains, overnight sleeper trains, Green Cars, and JR buses. This means that the Seishun 18 Kippu does NOT cover long-distance express or limited express trains including the Shinkansen 'bullet trains'. The ticket does cover long-distance travel by local trains and rapid trains ('Kaisoku' and 'Shin-kaisoku'). But travelers with time constraints should note that this usually requires several changes of trains.
- ☆ Rapid trains ('Kaisoku' and 'Shin-kaisoku') are short or medium-distance local trains that are faster with fewer stops on the way than ordinary local trains. Please be careful to note that they are not long-distance express trains.
- ☆ Additional charges apply when riding a train which requires a seat reservation and for surcharges, such as Green Car (this ticket holders can only take non-reserved seats) and a priority seat reservation on a local / rapid local train ('Kaisoku' and 'Shin-kaisoku').
指定席券やグリーン券、乗車整理券などが必要な普通(快速)列車に乗車する場合、別に指定席料金、グリーン料金(自由席のみ利用可)、乗車整理券料金などが必要。

☆ When traveling with this ticket, it is important to think in terms of calendar days. For one use – for one person using the ticket one time – the travel has to be within one calendar day (from 00:00 to 23:59). When traveling overnight on one use of the ticket, it is valid until the first stop the train makes after midnight. An exception is made for travel in designated Tokyo and Osaka areas, where one use of the ticket allows you to ride the last trains of the day even after midnight.

1回分(1人分)は乗車日の当日限り有効。乗車日が翌日にまたがる場合は、0時を過ぎて最初の停車駅まで有効。また、東京・大阪の電車特定区間内では終電まで有効。

Where to buy the ticket

☆ You can buy this ticket at JR station ticket offices, View Plazas (JR Travel Service Centers) and major travel agencies throughout Japan.

Refunding an unused ticket

☆ Ticket cannot be refunded if a part of it has been used or after the designated term of validity. It costs ¥210 as handling charge for refunding an unused ticket within the validity days.
