

Various Transport Passes in Tokyo & IC Cards

都内各種割引きっぷ・ICカード

IC Cards - Suica and PASMO スイカ・パスモ (Suica・PASMO)

Suica and PASMO - prepaid IC cards which are convenient for use on most railway networks, subways and buses in Greater Tokyo and other designated areas in Japan. Just touch the card to the scanner at the ticket gate when going in and out. The ticket fare using an IC card is a little bit cheaper than using cash and will be automatically deducted. IC cards cannot be used for continuous travel between designated areas.
